

TLMR RADIO BULK PURCHASE ARRANGEMENT

June 16, 2008

Under the OCICS Trunked Land Mobile Radio (TLMR) contract, number 36207, all government entities participating in the Onondaga County TLMR project are entitled to participate under the Bulk Purchase Agreement to obtain additional radios such as Local Control Stations, Portable and Mobile units at the same cost contained in the initial contract purchase.

- There are two order periods ending December 1, 2008 and June 1, 2009
 - United Radio will handle the order processing for the bulk purchases made by the individual agencies throughout the county.
 - Please direct bulk purchase orders to:
Gary Hilliard/Sales Coordinator
United Radio
5703 Enterprise Pkwy
East Syracuse, NY 13057
ghilliard@unitedradio.com
Voice 315.445.3262
FAX 315.445.3265
 - Orders must include a signed PO or letter to proceed and voucher along with credit information and tax exempt certificate, all made out to:
Motorola
c/o Rick Angelillo
5 Paragon Drive, Suite 200
Montvale, NJ 07645
 - Pricing for subscriber equipment is available through your team lead, or contact the TLMR Project Manger, Charles Gabriel at 727-9137 or Sean Sparks at 435-7911.
<http://esp.ongov.net/OCICS/teamleads.html>
 - Specification sheets are available on the OCICS web site for Local Control Stations, portables and mobile radios.
<http://esp.ongov.net/OCICS/RadioSpecs.htm>
 - United Radio will take delivery of these subscriber units for programming and deployment to the governmental entity purchasing these radios at no charge to the County.
-
